Bohemian Catastrophe: Stuck on a roller coaster caught in a landslide Bohemian Catastrophe is a cross between The Amazing Race and Fear Factor. Think Gilmore Girls meets Die Hard on a treasure hunt across America with Physical Challenges like Survivor - only more dangerous - and funny, because it s Bree MacGowan. The only people Bree likes better than her dogs are her brothers, so when kid brother Lock calls in a favor, Bree is all over that. Except things get complicated. Who would want to steal a huppah from the back of her pick up? And why hold her dog hostage? And most importantly, will Special Agent Richard Hambecker be able to keep a handle on the situation? Finding the answers takes Bree, Hambecker and Special Agent Marshall Moore across and even out of the country on a treasure hunt of epic proportions. Kate George says, I drew on my background as both a backwoods Vermonter and, in a previous life, a California girl, and combined that with my love of caper comedies and mysteries. So you get maple syrup and murder, dogs and drugs, Sex and scandal, pizza and pratfalls, mixed up with mirth and mayhem.
