Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Simple Daily Chart Stock Trading Method is meant to expedite your learning curve which can sometimes be long and costly. You can Google this or that information however it would take you many years to learn what I am going to tell you in this book before you could invest any of your hard earned real money in the live markets and have a chance making real money. This book is easy to read, and most importantly will be effective in helping a brand new trader understand what sort of foundation will be necessary to succeed as a financial market trader. New traders come into this business with a huge ego and a feeling of invincibility and think they are going to beat the market, 97 fail, don't be that trader. What you will learn in Simple Daily Chart Stock Trading Method will fast track your knowledge of what you need to know to get started learning. You can perhaps go from knowing 0 to trading and making real money in the live markets in as little as 30 days to a couple of months if you do what it says in this book and only look at daily charts to work from as a beginner. This time frame is the easiest to learn as a beginner and may well take you less or more time depending on how fast you grasp the basic principles of this book and how fast you can employ them in a live market environment. Do you want to make money right away in the live market or waste time and perhaps A LOT OF MONEY on doing things the wrong way from the start...
