Brand New Book ***** Print on Demand *****.Excerpt from Divine Pow: Or Spiritual Interpretation of the Scriptures and the Prayer of Faith That Heals the Sick I have heard people say, after listening to a spiritual! exposition to a portion of Scripture, That is too deep for me! and give the subject no further thought. Such people read the Bible, but are not willing to search for the hidden pearl of great price; they are willing to live in the letter, but will not pay the price, will not withdraw their minds from all preconceived notions, doctrines, beliefs, and the things of this world, and open an emptied mind to Spirit (John 4: 24) and receive an illumination of the text, and spiritual understanding, which is the reward for those who sincerely, earnestly and diligently search for the hidden truth. The author has only covered in this work what seemed to be sufficient of the ground to enable the reader to pursue the study of the Scriptures with the illumination obtained through the prayerful, unprejudiced dwelling upon the opened passages herein.
