Taylor Publishing Company (TX), 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Future of Humanity, Racing Toward Eternity is a concise study of what the Bible says is going to take place in the future. It is an early edition of things to come! It deals with the end of human history and human existence as we know it. We must understand and embrace that from a biblical perspective. History is not cyclical, but linear (following in a sequential pattern). This means that history is advancing, moving forward in a purposeful way. History is racing toward a goal. That goal is eternity! God is controlling and driving history towards the fulfillment of His divine purposes for humanity. The focus of this book is to bring an awareness of God s calendar of events for the end of time! Being a part of humanity, this book is for you!.
