### **Reviews**

*Totally among the best publication I have ever go through. This really is for all those who statte that there had not been a well worth studying. I am just very happy to let you know that this is actually the very best pdf we have go through inside my very own daily life and could be he very best ebook for actually.*

*(Miss Audra Moen)*

## THE HEALTH BULLETIN, 1915, VOL. 30 (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Health Bulletin, 1915, Vol. 30 All outdoors is ours for the taking - the health of sunshine and fresh air and that good feeling that comes extra. Usually what is food for flics is poison for man. Where they feed you should not feed. Where they swarm they find something to eat. If it is in the meat shop, the cafes or restaurants, the grocery stores or your own kitchen, you should not cat there. If for some reason you did not have your spring cleaning in March, get It done the first days of April. Don t stop with cleaning the house. Clean the yards, back and front, and sec that there s no winter trash left, or places where flies or mosquitoes may broed during summer. Now is the time to fight the fly. Don t wait till next month or the next when he arrives with a host ten thousand strong, to try then to put him to death. Strike now while he is one. Clean up. Destroy his breeding place. Leave him nothing to live on. The fight now against individuals is easy compared to the ten thousand new recruits next month. More and more it is being found through investigation that backward school children, delinquents and truants and even juvenile criminals have some physical defect as the cause of their being where they are. Many of the defects have been found to be bad eye sight, bad teeth, adenoids, enlarged tonsils or glands and those diseases that are easily remedied If discovered and treated in time. If you have that tired, good for nothing feeling, don t think that...
