FORMULA ONE: V. 8

Ransom Publishing. Paperback. Book Condition: new. BRAND NEW, Formula One: v. 8, David Orme, 'Formula One' answers questions such as 'How did motor racing start?' and covers many other F1 facts. The spooky fiction story 'The Man of Mystery' features the greatest racing driver ever! Formula One is part of the Trailblazers series, published by Ransom Publishing. It is ideal for older children and young adults with a reading age of 5 - 8. The books are suitable for general reading or as part of a more structured reading programme. Each book is on a strong, popular topic, with a colourful, attractive layout, combining fact and fiction. Each book has a non fiction and a fiction section. The fiction story appears in two formats - one with simple texts for poor readers; the facing pages contain an illustrated "speech bubble" version of the same story, for those who are just starting to learn to read. These two levels of entry give access points for children and young adults with different reading ages. The vocabulary of each book is carefully limited, with simple sentences to reinforce reading skills, which make the books suitable for even the poorest readers.
