

## The Fruit Hunters: A Story of Nature, Adventure, Commerce and Obsession (Paperback)

Filesize: 5.1 MB

### **Reviews**

*This publication could be worth a read through, and far better than other. This is certainly for all those who statte there was not a worth reading through. You may like just how the author compose this publication.*  
*(Dr. Kayley Kovacek PhD)*

## THE FRUIT HUNTERS: A STORY OF NATURE, ADVENTURE, COMMERCE AND OBSESSION (PAPERBACK)

Scribner Book Company, 2010. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. A vivid and unforgettable expedition through the world of exotic fruit, *The Fruit Hunters* is the engrossing story of some of Earth's most desired foods told by an intrepid journalist and keen observer of nature--both human and botanical. Delicious, lethal, hallucinogenic and medicinal, fruits have led nations to war, fueled dictatorships and lured people into new worlds. Adam Gollner examines the fruits we eat and explains why we eat them (the scientific, economic and aesthetic reasons); traces the life of mass-produced fruits (how they are created, grown and marketed) and explores the underworld of fruits that are inaccessible, ignored and even forbidden in the Western world. Peopled with a cast of characters as varied and bizarre as the fruit it discusses--smugglers, inventors, explorers and epicures--this extraordinary book can fill a thousand and one summer nights with delightful reading (The Miami Herald).
