Feedaread.com, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In a parallel world populated by hedgehogs, the Second World War is unfolding. Great Bristlin stands alone against Hegemony and needs every hedgehog it can get: Spike has joined His Majesty s Air Force and is flying reconnaissance missions; and Clou has formed an escape line to help Bristlish prisoners-of-war on the run. Snippetette is determined to escape from her enemy-occupied island and do her bit for the war, too - even if it s just making widgets in a factory. However, the mysterious Field Liaison and Espionage Agency (known to its agents as F.L.E.A.) has something altogether more dangerous in mind, and Snippetette will soon hold the fate of nations in her paws. Where Hedgehogs Dare takes Snippetette, Flight Lieutenant Spike and Clou, the Comte de Grif, on a dangerous journey behind enemy lines - a parachute drop, crash landing, secret messages, deception and self-sacrifice. Some will be captured. All risk their lives.
