Reviews

Definitely one of the best book We have at any time go through. It is actually filled with wisdom and knowledge I am quickly could get a delight of studying a published book.

(Dr. Kim Bergnaum)

THE MUMMY-MAKERS OF EGYPT (HARDBACK)

Seven Stories Press,U.S., United States, 2016. Hardback. Book Condition: New. 279 x 241 mm. Language: English . Brand New Book. A gorgeously illustrated story about a family of Egyptian embalmers that will enthrall kids with its mummy-making details and brilliantly painted pages. From artist and Egypt specialist Tamara Bower comes her third, gorgeous book about Ancient Egypt. Using the classic style of Egyptian art, the book is painstakingly accurate in facts and illustrative style. Artifacts, funerary customs, kid-loving gory details of the mummification process, hieroglyphs, and details of life in ancient Egypt are told through the eyes of Ipy, whose father is embalmer to the King. Yuya, father of the Queen, has died and Ipy must help his father in the mummification process. Yuya is an actual mummy and the discovery of his tomb is an entertaining story in itself, with the archaeologist Theodore Davis fainting at the sight of so much gold, and the portly Gaston Maspero getting stuck while trying to climb into the tomb. Yuya s tomb was a spectacular discovery in the Valley of the Kings that was later overshadowed only by the discovery of King Tut, Yuya s great-grandson. The book features sidebars of hieroglyphs and their meanings, a map, and an afterword telling more about the life of Yuya, of the burial process, and ancient Egypt in general. While there are a number of children s books on mummies, none are told from the point of view of the embalmers themselves, and none are illustrated with the meticulous eye of Tamara Bower.
