Pan MacMillan, United Kingdom, 2002. Paperback. Condition: New. Language: N/A. Brand New Book. In 1983, an ordinary teenager called Daniel Rathbone fell in love, spurned a friend, and stumbled on the ability to see in the dark. On his twenty-fifth birthday, Daniel is bequeathed a second no less unusual gift - a Victorian writing box, the legacy of his father and the repository of his youthful secrets, and of his current feelings of guilt. When a visit from the once-spurned friend, Carey Schumacher, coincides with the death of a contemporary, Daniel's peculiar endowments are enlisted to make lasting sense of lost time and place. From Bath to Brixton, from the 1960s to the 90s, *The Oversight* follows a trail of thwarted and victorious affections. It is an intently comic tale of vision and delusion; of family, friendship and desertion; and of the divisively cruel need to belong. A multi-layered debut of distinction. Deeply impressive. Eaves simply does not put a foot wrong *Evening Standard* Remarkable. I was so absorbed in the novel, so admiring of its cleverness and poise. a moving , frequently funny and impressive debut *Sunday Times* Eaves hasn't created a hero who can leap tall buildings, he's created something rarer still: a vivid portrait of a man getting to grips with adulthood *The Face* Subtle wondrous. intelligence and taste. gems of dry humour. a varied and accomplished first novel *Scotland on Sunday*.
