Reviews

It is an amazing publication which i actually have at any time go through. It really is written in easy words and phrases rather than hard to understand. Its been developed in an extremely easy way which is merely following i finished reading through this pdf in which actually changed me, affect the way i think.

Stavria Thalassi, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Hello! Let me introduce myself. Oops, how am I going to do that? I don't have a title yet. My title is a question which is still looking for its partner - the answer! Well, I might not have a title yet but that doesn't mean that I am not capable of acquiring a great title one day. Mother Earth, who is in charge here, insisted that it was up to the children to decide. What is the best answer? Which is the match made in heaven to the question: What is the title? I can wait for my title. Besides, there is a lot more to a book than its title! I am a fictional book full of color and imagination - best suited to children ages 8 and over. I am known for my passion - helping children. That is why Mother Earth chose my pages to communicate with and inspire her children. I am made up of 4 stories, each dressed in a different color. Mother Earth and a young caterpillar are the two main story tellers. Mother Earth sends a message of Unconditional LOVE to all her children from the island of Cyprus - the birth place of Goddess Aphrodite, the Goddess of LOVE. The caterpillar is the first of her children to shower in the magical rain. Neither good nor bad characters can be found in my pages. There is only a communication problem between Mother Earth and some of her children who have stopped smiling. She reaches out to other planets for help. All the planets with the Sun's guidance, come to the same conclusion: she and only she has the answer to the communication...
