

A Commercial Geography: For Academies, High Schools, and Business Colleges (Classic Reprint)

By John Newel Tilden

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Commercial Geography: For Academies, High Schools, and Business Colleges A large proportion of boys in schools expect to enter business life. Comparatively few have opportunity for the extended training given by a college course, and must depend upon the academy, the high school, or the commercial school for their preparation. The problem is to give boys, having a limited time at their command, the training and knowledge that will be of the greatest practical value in a commercial life. A good knowledge of what are known as fundamental branches is necessary; but, beyond these, it has been difficult to decide what branches of instruction will prove of greatest practical service. Political economy, civics, physics, chemistry, history, and the modern languages are helpful toward training the mind; but, if the languages be excepted, the branches named do not directly give the practical results that are so much needed. If some facts bearing upon the active commercial questions of the day could be brought within the scope of a text-book, it would seem to supply a...
