Whether she is setting the famed figures of Buffalo Bill's Wild West Show, including Annie Oakley and Sitting Bull, against the real, genocidal history of the American West, or contrasting the luxurious hotel where British writer Somerset Maugham stayed with the modern-day brothels of India, her stories illuminate the many ways history and architecture exert powerful forces upon human consciousness. Melissa Pritchard is a Flannery O'Connor, Janet Heidinger Kafka, and Carl Sandburg award-winning author whose previous short fiction collections were New York Times Notable Book and Editors Choice selections. She lives in Arizona.
