

## ABC Economipedia (Paperback)

By Stefano Francesco Fugazzi

Lulu.com, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The material included in this publication constitutes the quintessence of what ABC Economics really is, a business news portal which is beginning to establish its own place in the world of national and international media. The author has interpreted the current economic situation from two points of view, focusing, on the analysis of the key economic indicators of the eurozone since the introduction of the single currency (please refer to the Phillips curve and the various iterations of the Misery Index introduced here) and on the reactions of financial markets - including forex, equity and bond markets - to the monetary policies announced by Central Banks since the bursting of the 2007 subprime mortgage bubble.
