Angels are those, magnificent beings of dazzling divine light who fill my life with indescribable joy, hope, and love. They surround me; unseen yet felt. Silent but present. They wait quietly by my side. They wait patiently for a thought, a whisper, a question, an acknowledgement of their presence, even a smile of happiness. I am so very grateful for their Angelic blessings. I have been nudged by my Angel of Spiritual Wisdom to write this book. She is an Angel that is one of the Ancient Ones; her wisdom is the wisdom of the Ages and beyond. I now realize that she has been by my side since I was born. As I reached the age of wisdom she presented herself to me. My Angel of Spiritual Wisdom is a beautiful being of light and love, and my vision of her is very clear. She is dressed in white; her white hair is long and curly. She sparkles from head to toe, and her voice is gentle. She answers my every question, and is my liaison between the heavenly realm and the Earthly realm. Yes, she has encouraged me to write this book. She wants me to share my knowledge and experience of the Angels that have been in my life with you. Most importantly, she wants me to show you how to contact your Angels. She also wants me to encourage you to welcome and acknowledge the Angels in your life You see your Angels are waiting for you to reach out to them. They want you to ask them for their help. You can ask them for help with anything, and they will be there. They will...
