University of Minnesota Press, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. Asian American filmmakers and video artists have created a substantial, diverse, and challenging body of work that reimagines the cultural and political representation of Asian Americans. Yet much of this work remains unknown. Ghostlife of Third Cinema examines such potent issues as diasporic identity, historical memory, and queer sexuality through sophisticated readings of a wide range of film and video projects, including Trinh T. Minh-ha's experimental documentary *Surname Viet Given Name Nam*; avant-garde works by Japanese American filmmakers Rea Tajiri, Lise Yasui, and Janice Tanaka; and queer videos exploring the intersection of race, nation, and sexuality by Pablo Bautista, Ming-Yuen Ma, and Nguyen Tan Hoang.
