A RAY OF LIGHT IN A SEA OF DARK MATTER (PAPERBACK)

Rutgers University Press, United States, 2014. Paperback. Condition: New. Language: English. Brand New Book. What's in the dark? Countless generations have gazed up at the night sky and asked this question - the same question that cosmologists ask themselves as they study the universe. The answer turns out to be surprising and rich. The space between stars is filled with an exotic substance called dark matter that exerts gravity but does not emit, absorb, or reflect light. The space...

Reviews

Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.
