This item is printed on demand - Print on Demand Neuware - Essay from the year 2008 in the subject Philosophy - General Essays, Eras, grade: 2, , language: English, abstract: The problem of the sense of politics is a philosophical problem. All philosophical problems are always urgent, as they are hard to solve. In spite of that, it is always possible to make an attempt. This work is an attempt to comprehend internal forces, which drive politics, filling it with sense. It is impossible for politics not to have the point. According to Dante, everything getting objective reality intends some action. Actions in politics are aims and objectives. To define actions in politics we decided to turn to the help of great thinkers, such as Plato, Dante Alighieri, Jean Jacques Rousseau, Friedrich Nietzsche. We are going to proceed from the assumption that no thought is false. Any idea from its origin goes through a number of conditions, which cannot be false per se. If we begin to deny the idea, we inevitably come to deny the above conditions under which the thought emerged. Consequently, in the research we intend to start from the principle of the relative truth in each philosophical idea, as the idea can be applied to a particular sphere of existence. If each philosophical idea is valid in application to a definite aspect of the world, then they may be united, drawing up a new concept of the world. As we advocate an integral view on existence, the method of research is synthesis, from which a new understanding of politics is born. One of the basic notions in the research is the notion of a philosopher's idea. Under idea in this research...
