

## The Doors Volume III Russian Edition

Filesize: 7.07 MB

### **Reviews**

*This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.*  
*(Aliya Franecki)*

## THE DOORS VOLUME III RUSSIAN EDITION

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 188 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Wisdom sought and found. . . 21st century prophesies and revelations, meeting G-d and the Biblical prophets, finding out that the Earth is indeed the center of the Universe. The ideas put forth in the DOORS include the absence as a dimension of TIME, as humans know and perceive it. Costa Levis novel idea is that there is no genuine dimension of time as such, but a mere convenient and artificial system that is used to synchronize and organize human activities based on the rotation of the celestial bodies (Earth on it axis, Earth around the Sun). Life and life after death - how can one live with all this overwhelming and frightening information! And, as was said - there is obviously no Past or Future - only forever changing Now that we live in. It may feel like a very heavy burden to know more than what is given to know to the normal man. Dare to read Doors - all three volumes. This item ships from La Vergne, TN. Paperback.
