

Tide Players: The Movers and Shakers of a Rising China

Filesize: 6.33 MB

Reviews

Most of these ebook is the perfect publication accessible. It is written in easy terms and not difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

The New Press, United States, 2013. Paperback. Book Condition: New. 206 x 137 mm. Language: English . Brand New Book. In Tide Players, acclaimed author Jianying Zha depicts a new generation of movers and shakers who are transforming today's China. In a half-dozen sharply etched and nuanced profiles, Tide Players captures both the concrete detail and the epic dimension of life in the world's fastest-growing economy. Zha's vivid cast of characters includes an unlikely couple who teamed up to become the country's leading real-estate moguls; a gifted chameleon who transformed himself from Mao's favorite "barefoot doctor" during the Cultural Revolution to a publishing maverick; and a tycoon of home-electronic chain stores who insisted on avenging his mother, who had been executed as "a counterrevolutionary criminal." Alongside these entrepreneurs, Zha also brings us the intellectuals: a cantankerous professor at China's top university; a former cultural minister turned prolific writer; and Zha's own brother, a dissident who served a nine-year prison term for helping to found the China Democracy Party. Zha's insightful insider-outsider portraits garnered nationwide acclaim, as they offer a picture of a China that few Western readers have seen before.
