Reviews

*These types of book is the perfect pdf available. I actually have study and that i am sure that i will planning to read through again again in the foreseeable future. Its been designed in an exceedingly basic way which is simply soon after i finished reading through this publication in which basically changed me, modify the way i believe.

A GUIDE TO GREEN NEW JERSEY (PAPERBACK)

Rutgers University Press, United States, 2003. Paperback. Condition: New. Language: English . Brand New Book. New Jersey is a state of surprises. Did you know there was a castle in Passaic Country? Or that Essex County s Branch Brook Park, rather than Washington, D.C., has the largest concentration of flowering cherry trees outside of Japan? Did you know you could walk through a bamboo forest on the Rutgers University campus, dig for fossils in Middletown s Poricy Brook, visit an owl haven on the site of the Battle of Monmouth, or see wild river otters in Salem County? Despite its proximity to major urban areas and its high population density, the state has dozens of absolutely marvelous natural areas and preserved spaces. It boasts something for everyone, from Atlantic seashore to rugged mountains, rolling farmland to winding canals, historic trails to formal gardens, birdfilled marshes to hardwood forests, pine barrens to fragrant vineyards and orchards. There are outings for hikers, bikers, beachcombers, gardeners, power-walkers and strollers of all kinds, and A Guide to Green New Jersey is your key to finding it all. The book is conveniently organized into forty geographic areas, spotlighting more than 200 nature walks. Each entry includes a description, visitor hours, fees, driving accessibility, and other pertinent information for walkers. At the end of the book, the authors provide an index with the names of each site, and their guide to choosing an outing according to individual tastes and interests. They identify sites that are wheelchair accessible, especially fun for kids, best for bicyclists, and those that are particularly physically challenging. Newcomers to the state will find the book indispensable, and long-time New Jerseyans will find it a pleasantly eye-opening guide to wonderful walks right in their own backyards.
