Reviews

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

National Geographic Kids, United Kingdom, 2007. Hardback. Book Condition: New. Library ed. 277 x 234 mm. Language: English . Brand New Book. The latest National Geographic Children s Books title by Barbara Kerley, *A Little Peace*, gives a richly evocative and thought-provoking view of the world our children will inherit. Wise words and moving images offer a unique and enriching experience for every young reader. According to author Barbara Kerley, I believe that peace doesn t just rest in the hands of politicians and world leaders. We all have the power to make the world more peaceful. The book juxtaposes photographs from around the world with a simple, reflective message about our responsibilities for finding and keeping peace on the planet. Like the highly acclaimed titles *A Cool Drink of Water* and *You and Me Together*, this beautiful children s picture book features superb National Geographic images accompanied by a brief, poetic text on a subject of global importance. All the photography is reproduced in miniature at the back of the book with geographic, historic, and cultural context and details explained. A world map leads readers to the location of each image. *A Little Peace* offers a vital lesson for children everywhere. National Geographic supports K-12 educators with ELA Common Core Resources.
