He is residing in London and solves crimes by examining and evaluating clues in order to uncover the identity of the criminal. In this story, the woman who lured Eric Anderson and dragged him into the murder case of Ruby Hill, was the same who saved the naive young man from death, after she was filled with remorse. What was her relationship with Ruby and the murderer; Who was behind the murder? Inspector Ellis is called to solve the riddle once again. Although the person who finds happiness is the person who can be trusted to bring love to others, some times that kind of happiness is based on hidden difficulties and truths that apparently cannot be told, until one day a ray of light hits our eyes and blinds us.
