Filesize: 4.26 MB

Reviews

A top quality publication along with the typeface applied was exciting to read through. It can be rally interesting throgh reading through time. Your life period will be enhance once you full reading this article book.
(Prof. Demond McClure)

IGODS: HOW TECHNOLOGY SHAPES OUR SPIRITUAL AND SOCIAL LIVES (PAPERBACK)

Baker Publishing Group, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Today the world is literally at our fingertips. We can call, text, email, or post our status to friends and family on the go. We can carry countless games, music, and apps in our pocket. Yet it s easy to feel overwhelmed by access to so much information and exhausted from managing our online relationships and selves. Craig Detweiler, a nationally known writer and speaker on media issues, provides needed Christian perspective on navigating today s social media culture. He interacts with major symbols, or iGods, of our distracted age--Google, Facebook, Amazon, Apple, Pixar, YouTube, and Twitter--to investigate the impact of the technologies and cultural phenomena that drive us. Detweiler offers a historic look at where we ve been and a prophetic look at where we re headed, helping us sort out the immediate from the eternal, the digital from the divine.
