Turtleback Books, United States, 2012. Hardback. Book Condition: New. Turtleback School Library ed.. 204 x 134 mm. Language: English . Brand New Book. Mara Dyer doesn t know if she is crazy or haunted--all she knows is that everyone around her is dying in this suspenseful and strong, inventive tale (Kirkus Reviews). Mara Dyer doesn t think life can get any stranger than waking up in a hospital with no memory of how she got there. It can. She believes there must be more to the accident she can t remember that killed her friends and left her mysteriously unharmed. There is. She doesn t believe that after everything she s been through, she can fall in love. She s wrong. After Mara survives the traumatizing accident at the old asylum, it makes sense that she has issues. She lost her best friend, her boyfriend, and her boyfriend s sister, and as if that weren t enough to cope with, her family moves to a new state in order to give her a fresh start. But that fresh start is quickly filled with hallucinations--or are they premonitions?--and then corpses, and the boundary between reality and nightmare is wavering. At school, there s Noah, a devastatingly handsome charmer who seems determined to help Mara piece together what s real, what s imagined--and what s very, very dangerous. This fast-paced psychological--or is it paranormal?--thriller will leave you breathless for its sequel, The Evolution of Mara Dyer.
