Understanding Your Digital Camera: Art and Techniques (Paperback)

By Tim Savage

The Crowood Press Ltd, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. This book has been written for photographers who want to switch their camera off automatic mode and take control of its image-making potential. With visual examples throughout, it explains how to use the camera's settings and functions to take better and more creative photographs. By introducing new techniques based on concepts already taught, it explains the key principles of camera craft and thereby helps the photographer determine the outcome of the image they take. Many topics are covered including: a guide to photographic equipment; exposure and how to control the shutter, aperture and ISO settings; flash control, metering patterns, focus modes and drive options; colour settings, including white balance, picture styles and colour spaces and digital photographs are explained in terms of histogram, resolution, image size and quality settings.

Reviews

Completely one of the best ebook I actually have possibly study. It can be written in simple phrases and not confusing. You can expect to like the way the author writes this book.
