*This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.*

## CRIMSON SNOW: WINTER MYSTERIES (PAPERBACK)

The British Library Publishing Division, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Crimson Snow brings together a dozen vintage crime stories set in winter. Welcome to a world of Father Christmases behaving oddly, a famous fictional detective in a Yuletide drama, mysterious tracks in the snow---, and some very unpleasant carol singers. The mysterious events chronicled by a distinguished array of contributors in this volume frequently take place at Christmas. There s no denying that the supposed season of goodwill is a time of year that lends itself to detective fiction. On a cold night, it s tempting to curl up by the fireside with a good mystery. And more than that, claustrophobic house parties, when people may be cooped up with long-estranged relatives, can provide plenty of motives for murder.Including forgotten stories by great writers such as Margery Allingham, as well as classic tales by less familiar crime novelists, each story in this selection is introduced by the great expert on classic crime, Martin Edwards. The resulting volume is an entertaining and atmospheric compendium of wintry delights.
