## GANDHI BEFORE INDIA (HARDBACK)

Penguin Books Ltd, United Kingdom, 2013. Hardback. Condition: New. Language: English . Brand New Book. The first volume of the definitive biography of Gandhi, one of the most remarkable figures of the 20th century, from the great historian Ramachandra Guha. The life of Mohandas Gandhi is one of the most remarkable and potent in the modern era. In this fascinating new biography Ramachandra Guha allows us to understand the personality and politics of Mohandas Gandhi as never before. Showing that Gandhi's ideas were fundamentally shaped before his return to India in 1915, *Gandhi Before India* is the extraordinarily vivid portrait of the formative years he spent in England and South Africa, where he developed the techniques that would undermine and ultimately destroy the British Empire. Ramachandra Guha depicts a world of sharp contrasts between the coastal culture of Gujarat, High Victorian London and colonial South Africa, where settlers from India, Britain and elsewhere battled for their share of this rich and newly despoiled land. Drawing on many new sources located in archives across four continents, Guha sensitively explores the many facets of Gandhi's life and struggles. This is the biography of the year. Reviews: Excellent and exhaustive . Guha has done heroic work in reconstructing this period of Gandhi's life . Gandhi emerges here as a fascinatingly complicated and contradictory figure . if the sequel proves as rich and absorbing as this first book, it will doubtless serve as the fundamental portrait of Gandhi for many years to come Sunday Business Post What can a new biographer add? *Gandhi Before India* by Ramachandra Guha, India's leading historian, offers plenty . Rather than lingering on Gandhi's own well-studied words, Mr Guha has unearthed a wealth of previously overlooked school reports, diaries, letters and articles by collaborators and opponents of...
