But for others, the high school years may be the most challenging years of one's life. Teens need to prepare for the many challenges they may encounter in high school. With the proper support, teens can turn negative high school experiences into positive learning experiences. By remaining true to themselves, they can avoid involvement in unhealthy relationships. And by gaining insight to their senior year, they can prepare academically for a successful future. Because teens generally think adults are clueless, this book is full of suggestions, advice, and survival tips from the experts - Graduating Seniors from the Northwest High School Class of 2008.
