MYSTERY OF WHITE HORSE LAKE: AN IRISH MYSTERY (PAPERBACK)

BookBaby, 2017. Paperback. Condition: New. Language: English . Brand New Book. In a land shrouded in mystery, there is a special place. This place is the magical Connemara Mountains of Ireland; home to the Sidhe fairies, who jealously guard their mountain home, and the mysterious White Horse that they summon from the waters of the lake to do their bidding. I came to Castle Chonamara as a lowly housemaid to the first owners of the castle. After many years and as many owners, I finally rose to the position of housekeeper. Over the years I kept watch for him. He had taken six lives on my watch, but this time would be different, I would end this curse or die trying. Can the old housekeeper break the curse or will the white horse return every seven years to claim another life?.
