The book is great and fantastic. Better than ever, though I am quite late in starting to read this one. I realized this publication from my dad and I advised this ebook to find out.

Over the last 50 years African Americans have heard many speeches, read many books, and attended the marches and protest rallies; however, the descendants of African slaves are as dysfunctional as ever. Our people and our communities are suffering more and more from black-on-black crime, drug abuse, violent gangs, illiteracy, high drop-out rate, low college entry rate, lack of spiritual development and a host of other maladies that contribute to the continued marginalization of the African American. The concepts and strategies of the Black-print focused towards uplifting African Americans to a level of success that is unprecedented in these United States. The Black-print intends to remove the tarnish and stigma that has been a burden to the descendants of African slaves for hundreds of years. The Black-prints aspires to reveal the beauty, dignity and power of a once great and mighty people. About the Black-print: Chapter one is the introduction to the Black-print. Chapter Three deals with what I believe are the five major entities or institutions that lay obstacles to our path towards wealth, prosperity and respect. These entities and...
