Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Self-Realization, A Journey was written for anyone seeking more fulfillment and enjoyment in their life. Whether you're looking for answers to who's running your mind or life, what brings true happiness, why meditate, or even what it's like to mentor and work with hardened prisoners at Utah State Prison, Norman will share with you some personal stories and insights. You'll discover more insights into the difference of religion and spirituality, how men and women differ emotionally, what are some of the keys to effective communication - these are each journey we'll explore. If you don't question and ponder, you don't grow. We are each on the planet to experience, learn, adapt, then share and give away all that we have before we pass on. We are like a small pebble in life, dropped into a community pond where we have caused a small ripple that in this case is passing on to others you encounter on a daily basis. We are all interconnected. It's as if there are invisible strings between us. Just because we don't see them - doesn't mean they don't exist. Just because we don't see air doesn't mean it doesn't exist, or that it is not important. Of course it exists, and it is important. So are our relationships. Let the growing begin.
