Xulon Press, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Does God still work miracles? Does He still give courage to those facing doubt? Strength to overcome overwhelming obstacles? How often has the Lord extended mercy unto you and it was simply overlooked? The Chosen Boy in a House of Darkness is proof that God's miracles are as present today as they were in Biblical times. Even the most shattering illness, the most desperate poverty, and the most heart-wrenching anguish are not beyond His help. As you follow the life story of Philogene Adrien as he grew up in Haiti, you will be awed by God's boundless power, limitless compassion, and loving provision. The account of how God extended His mercy to a young boy during his struggles will speak to your heart and move you to tears. Through his story and the daily devotionals, you will see how choosing to trust God daily unleashes His power to change any situation and the power of influence Christians can have on the lives of others. So trace his journey carefully. See the hand of God at work in one man's life and see the possibility open for how God's mercy can prevail in your life as well.
