Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Houses and Equipment for Laying Hens, for Loose Housing The interior of a laying house should be so arranged and equipped that both the hens and the eggs can be cared for with a minimum of labor and time. Construction and upkeep costs should be reasonable, and the house should be neat. Two methods are widely used to house laying hens. The first is to house them in wire cages. The second is to use loose housing. This bulletin deals principally with this second method. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
