Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In our dreams, we all want to save the world . Nikki s quest is to save one person, her mother, who is dying of a cancer she has learned can be cured if only a specific plant growing in the rain forests of Ghana can be synthesized. And the cure may be at her finger tips. But greed, and the fear of greed, are standing in the way of her dreams, of her dearest hopes, of her love. Can she find her way through the stand-off? Here in this hidden part of Africa, can she save her world? Eldorado is a lyrical fable but it is also a hard-headed truth - the way the best of parables are. It is an enchantment. It is all of our dreams.
