## THE WOLF WOMAN S APPRENTICE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. There s not much of any place for a 15 year old girl to call a destination when she walks away from her home into the night down a Texas borderland highway when the nearest neighbor is far over the horizon. But, for Callie, home wasn t much of a place, anyway, and the night held no fear equal to the pain she suffered. Neither did the virtually mythical and ancient Wolf Woman fear, certainly did not fear a naive young girl whom she was destined to nurture. But a wanderer can meet some strange adventures on the road, and a little trust may lead to doom or magnificent destiny. It s not always easy to know which one is upon you. For sure, you always learn something, perhaps something wonderful, for even the very wise can be fooled.
