U N I \$3-20 0() \$2-10.00 R \$17-6 w EXTRACTS FROM nu: RETURNS or manuracwcranns. The returns sent to this office by the manufacturers of agricultural implements and machinery contain many expressions of opinion with regard to the course of prices and the reasons therefor, and to other matters pertaining to the industry. From these returns extracts are herewith presented for the purpose of throwing light upon the business from economic and industrial points of view. Buggies.--rVe are getting now just about the same prices that we did ten years ago, a trifle more than we did five years ago, but the vehicles are costing us more than they did in either of the above years. The demands of the trade are becoming more critical, and we have to give more for the money. Buggz e.s.--We are building a better buggy...

Reviews

Very useful to any or all group of men and women. It is written in basic words instead of difficult to understand. I realized this ebook from my i and dad recommended this publication to understand.

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
