

Business Coaching for Managers and Organizations: Working with Coaches Who Make the Difference

By David E. Gray

HRD Press Inc.,U.S. Paperback. Book Condition: new. BRAND NEW, Business Coaching for Managers and Organizations: Working with Coaches Who Make the Difference, David E. Gray, You're ready to select, hire and work with a professional coach. But there are so many types of coaches. And thousands of people provide coaching services. How do you navigate your way through the jungle? Start with Business Coaching for Managers and Organizations. Whether you're a manager or HR professional, this guide will help you find - and work with - the right business coach to benefit both individual managers and your organization as a whole. In seven chapters, the author - a member of the International Coach Federation - answers commonly asked questions such as: Is a coach with a coaching certificate from a reputable university better than one with a diploma from a private coaching consultancy? Do you need a coach - or would some other type of mentoring and counselling work be better? How do you find coaches - through word of mouth, the Web, local media, coaching associations? What questions should you ask to learn about the coach's experience, qualifications and style? You'll learn how to: Decide whether or not you...

Reviews

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.
