## Green Home Building: Money-Saving Strategies for an Affordable, Healthy, High-Performance Home

By Miki Cook, Doug Garrett

New Society Publishers. Paperback. Book Condition: new. BRAND NEW, Green Home Building: Money-Saving Strategies for an Affordable, Healthy, High-Performance Home, Miki Cook, Doug Garrett, According to conventional wisdom, building a green home is an expensive endeavor. The standard approach treats green as an add-on, tacking "premium" products, finishes, and equipment onto a traditional home design. As a result, many green home projects end up over budget or fail to achieve their environmental and performance goals. Green Home Building explodes the myth that green homes have to cost more. Using proven methods based on applied building science, the authors show how to: \* Lower base construction costs to provide funding for high performance upgrades \* Achieve a net-zero energy home, including "zero-ing" water, waste, carbon, and associated costs within fifteen years \* Live affordably into the future, despite anticipated rising costs for fuel, water, materials, taxes, and health care This comprehensive guide to building green on any budget defines the strategies that maximize the return on green investments. Written for anyone who has ever been swayed by the argument that the price tag limits how green a home can be, Green Home Building is a must-read for builders, contractors, architects, designers,...
