## THE RESTLESS SCHOOL (PAPERBACK)

John Catt Educational Ltd, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book. What is the cocktail of successful schools and their leaders? They are restless. There is a paradox at their core: they are very secure in their systems, values and successes, yet simultaneously seeking to change and improve. These schools look inwards to secure wise development; they look outwards to seize innovation which they can hew to their own ends and, importantly, make a difference to the children and students they serve. This book is written with the certainty that whatever the quality of an education system and its schools at a given point in time, we shall strive to improve them, in the knowledge that perfection lies just around the corner. That is the human condition. That is the international imperative. That is the restless school.
