Your Water Footprint: The Shocking Facts About How Much Water We Use to Make Everyday Products

By Stephen Leahy

Firefly Books Ltd. Paperback. Book Condition: new. BRAND NEW, Your Water Footprint: The Shocking Facts About How Much Water We Use to Make Everyday Products, Stephen Leahy, The average western lifestyle is kept afloat by about 2,000 gallons of H2O a day. The numbers are shocking. Your Water Footprint reveals the true cost of our lifestyle. A 'water footprint' is the amount of fresh water used to produce the goods and services we consume, including growing, harvesting, packaging, and shipping. From the foods we eat to the clothes we wear to the books we read and the music we listen to, all of it costs more than what we pay at the check-out. The 125 footprint facts in this book show the true cost of our lifestyle and what it is doing to planet Earth, including draining it dry. The 'Virtual Water Concept' shows the amount of water used in human activities. Presented in clever, understandable graphics, Your Water Footprint raises readers' awareness of how much water is used to make the things we use, consume and grow. What we put on our dinner table has a very high cost. Nearly 95 percent of our water footprint is hidden in...

Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.

-- Mrs. Ellie Yost II

This is actually the finest ebook we have go through until now. It is writter in straightforward words and phrases instead of difficult to understand. Its been designed in an remarkably straightforward way and is particularly just following i finished reading through this book by which basically changed me, change the way in my opinion.
