THE SECRET WAR : SPIES, CODES AND GUERRILLIAS 1939-1945

[DOWNLOAD](#)

William Collins Harpercollins UK Apr 2016, 2016. Taschenbuch. Condition: Neu. Neuware - Spies, codes and guerillas played critical roles in the Second World War, exploited by every nation in the struggle to gain secret knowledge of its foes, and to sow havoc behind the fronts. In The Secret War, Max Hastings presents a worldwide cast of characters and some extraordinary sagas of intelligence and Resistance, to create a new perspective on the greatest conflict in history. Here are not only Alan Turing and the codebreaking geniuses of Bletchley Park, but also their German counterparts, who achieved their own triumphs against the Allies. Hastings plots the fabulous espionage networks created by the Soviet Union in Germany and Japan, Britain and America, and explores the puzzle of why Stalin so often spurned his agents, who reported from the heart of the Axis war machine. The role of SOE and Americans OSS as sponsors of guerilla war are examined, and the book tells the almost unknown story of Ronald Seth, an SOE agent who was turned by the Germans, walked the streets of Paris in a Luftwafe uniform, and baffled MI5, MI6 and the Abwehr as to his true loyalty. Also described is the brilliantly ruthless Russian deception operation which helped to secure the Red Armys victory at Stalingrad, a ruse that cost 70,000 lives. The Secret War links tales of high courage ashore, at sea and in the air to the work of the brilliant boffins at home, battling the enemys technology. Most of the strivings, adventures and sacrifices of spies, Resistance, Special Forces and even of the codebreakers were wasted, Hastings says, but a fraction was so priceless that no nation grudged lives and treasure spent in the pursuit of jewels of knowledge. The book tells stories of high policy and...
