Columbia University Press, United States, 2007. Hardback. Condition: New. Language: English . Brand New Book. She edited the controversial anthology *Negro*, the first comprehensive study of the achievement and plight of blacks around the world. Her contributors included Langston Hughes, W. E. B. Du Bois, and Zora Neale Hurston, among scores of others. Cunard's personal life was as complex as her public persona. Her involvement with the civil rights movement led her to be ridiculed and rejected by both family and friends. Throughout her life, she was plagued by insecurities and suffered a series of breakdowns, struggling with a sense of guilt over her promiscuous behavior and her ability to survive...
