Film Editing - The Art of the Expressive (Paperback)

By Valerie Orpen

WALLFLOWER PRESS, United Kingdom, 2003. Paperback. Condition: New. Language: English . Brand New Book. Film Editing provides an introduction to the craft of editing in the non-silent film. In clear and accessible language, Valerie Orpen considers editing as an expressive strategy rather than a mere technique. She reveals that editing can be approached and studied in a similar way to other aspects of film. Traditionally, studies on editing or montage tend to focus on silent cinema, yet this book claims that an examination of editing should also consider the role of the soundtrack. The aim of Film Editing is to examine the way in which editing can make meaning. The book addresses editing as part of a wider context and as a crucial element of the overarching design and vision of a film. Consequently, this book incorporates other parameters, such as mise-en-scene, framing, sound, genre, history, and performance. By examining a number of mainstream and art films, such as Godard's *A bout de souffle*, Hitchcock's *Rear Window*, and Scorsese's *Raging Bull*, Film Editing seeks to dispel the notion that editing is necessarily polarized as continuity versus discontinuity.

Reviews

Very useful to all category of individuals. It is one of the most amazing publication i have got read through. You will not feel monotony at anytime of your respective time (that's what catalogs are for about when you question me).

-- **Mr. Johnathon Dach**

A must buy book if you need to adding benefit. It can be rally interesting through looking at period of time. Its been designed in an remarkably simple way and it is only after i finished reading this publication by which in fact altered me, modify the way i believe.
