Shaffner of the United States to read a paper on the projected telegraphic communication between Europe and America, via Iceland and Greenland. Col. Shaffner then read an interesting paper on the above subject. He said: Mr. President and members of the Royal Geographical Society--The North Atlantic Telegraph, which has been struggling against formidable rivalry for some years past, is now rapidly assuming a form and proportion commensurate with the grandeur of the enterprise. The Route. --Preliminarily proposed for this project is...
