## JAPANESE CONSTELLATION: TOYO ITO, SANAA, AND BEYOND (HARDBACK)

MUSEUM OF MODERN ART, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. Published in conjunction with an exhibition at The Museum of Modern Art, *A Japanese Constellation* focuses on the work of a small group of architects and designers influenced by and gravitating around the architect Toyo Ito and the architectural firm SANAA. Beginning with an overview of Ito's career and his influence as a mentor to a new generation of Japanese architects, the catalogue presents a richly illustrated portfolio of recent works by three generations of internationally acclaimed designers, including Sou Fujimoto, Akihisa Hirata and Junya Ishigami. *A Japanese Constellation* reveals a network of influence and cross-pollination that has become particularly relevant at the start of the 21st century. Essays by curators, architectural historians and critics reflect on the transmission of an architectural sensibility, and suggest an alternative model to what has been commonly described as an individuality-based star-system in architecture. Offering a panorama of interlinked, settled or up-and-coming stars, the publication reveals how shared architectural themes travel across generations of architects, creating a strong identity for a regional practice with global impact.
