Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Cable and satellite company service is one of the biggest money drains in the American consumer s budget. The costs have ballooned for years and show no sign of stopping. Generally to get what you want there are 200 other channels that you never use included. Cable television service can exceed 150.00 a month. In this economic environment many families are looking to cut costs and cable companies are raising them. Television entertainment can be a low cost form of entertainment for the whole family. All forms of family entertainment have risen in costs dramatically. Taking a family of four to the theatre can run 60-70.00 with refreshments. Getting rid of cable and using streaming services like Netflix, Amazon Prime, and Hulu will save the family from 20.00 to 120.00 a month. There are several approaches to ditching cable and still being able to use your televisions to watch movies and televisions shows In this book I will focus on the two best options for cutting the cord geting the shows you want and saving up to 1,500 dollars a year.
