

Poems: Partly in the Scottish Dialect (Classic Reprint) (Paperback)

Filesize: 2.4 MB

Reviews

A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Dr. Isabell Wiza DDS)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Poems: Partly in the Scottish Dialect The Love Divine A Tale Of The Scottish Covenanters Flow gently, sweet Afton, among thy green braes; Flow gently, I ll sing thee a song in thy praise. - Burns. Away from noise, from haunts of sin, Away from men and worldly din, Where Afton flows through winding turns, And o er its pebbly bottom churns To froth the joyous liquid stream That dances in the sun s bright gleam, Reigns solitude, by peace caressed, By all the charms of Nature blessed, As though man s echo had not rung Among the caves, but overhung With virgin shrub, it seemed afraid Man would its sacred peace invade. On either side the rocky hills Weep silent tears through rippling rills, And answer back in mocking strains The feathered minstrels wild refrains; Or mimicking the plaintive bleat Of lambkins, soothe them at their feet. The wind bears through the list ning trees A sigh of sorrow on its breeze, Enlisting sympathy from flowers That hang the head in native bowers, And with the dewdrop on the cheek They listen patiently and meek To stories of that sacred ground - The secret of that velvet mound Where Heaven in its mute appeals The sympathies unconscious steals, About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
