Outskirts Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Once again.IT S ON!!! Back with a fresh set of essays, this SECOND volume of Raise Your Brown Black Fist continues to help bridge the gap between the Black and Brown communities, and giving voice to the little known Third Root of Latino culture. Extending the Black Thoughts article series into one complete volume, a new perspective is now given on Black/Brown relations. Whether still breaking it down in layman s terms, or still spittin in a Hip Hop vernacular, this second volume continues to deal with these issues of race and politics from a different perspective. Continuing to speak as a politicized Afro Latino discussing Afro Latino and diasporic Pan African affairs. Keep the fist raised!!!
