Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.

BETTY BRODERICK: TELLING ON MYSELF (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. What do you do when you have struggled loyally for years beside your husband, living in financial hardship as you bring up your joint children virtually as a single mother, working toward the good times that you can see coming for all of you, only to discover that your husband is committing adultery and is planning to leave you? Worse, he aggressively denies his affair, denouncing you as crazy to your face and to everyone you know, while he schemes to walk off with everything you have worked so hard for as he is reborn into a new life with a star-struck younger woman, as pretty as you once were, who will enjoy everything you have invested in - your financial security, your home-life and even your children. Daniel T. Broderick III s relentless harassment of his discarded wife, Betty, made her increasingly crazy as he and his girlfriend - then second wife - Linda Kolkena Broderick piled on the pressure, until one day, on November 5, 1989, at her wits end and believing herself to be acting in self-defense, she confronted them in the early hours of the morning and in a panic shot them both dead. A multitude of onlookers has absolved Betty for what she did. Many even admire her, especially if they have suffered similar fates to hers. One juror at her trial openly questioned why she had taken so long to kill Dan...
